Principal's Letter

What a busy year it has been and we cannot believe how quickly it has gone. It doesn't feel like the beginning of the year was that long ago, though a lot has happened since then.

This Term we have seen our students participate in many amazing things and continue to shine. We had our annual drama production at the beginning of Term "Choices", which was a very interesting concept involving the audience choosing the direction the story went. We also had our Art Gallery event where our students showcased their amazing art, ceramics and photography pieces.

Some of Year 10's went out on Work Experience this Term, spending two weeks in a variety of different jobs. This was an enjoyable and positive experience for our students and we had a lot of good feedback from local businesses about those involved. Some of our students have even been offered jobs as a result of this process.

In Week 9 we saw our annual ROAR carnival, celebrating students "positive behaviour" over the year. There were a lot of activities and stalls for our students to experience and a great time was had by all. Well done to all the staff involved in coordinating this event, particularly Miss Hart and Miss Jeffers. We also saw our Year 10's farewelled in Week 9 during our whole school assembly, and then again at a special Farewell Presentation at the Arts Centre. Congratulations to all our students and well done to award winners. We wish all our students the best in the next chapter of their lives, whether it be further study or employment.

Week 10 saw our 2022 Year 7's spend two days at our school becoming familiar with how high school works. We have over 200 Year 7's starting next year and we look forward to welcoming them all.

It has been a privilege to lead this school in 2021 and acknowledge the efforts of all our staff who do the best they can to provide a quality education for our students. I would also like to thank all our families for their ongoing support.

Our office will be open from the 24th of January; and we look forward to welcoming students back on Monday January 31st, 2022.

Have a safe and happy holiday.

Mining Memorial

On December 2nd, our 2022 Head Students Mia and Charlie attended the Mining Memorial Service and laid a wreath on behalf of KBCHS. The service is an annual event held for families to reflect upon loved ones who have lost their lives in mining.

Year 10 Formal

The Year 10 formal was held on December 2nd in the school gymnasium. Students arrived looking sharp and ready to celebrate the end of a fantastic final year at KB.

A special thank you to the following staff for all of their hard work organising and running the evening; Susan Nobel, Gabby Rosengren, Ruth Zahwe, Shirlie Wakeman, Inga Westberg, Teagan Moore, Margaret Gray. And a special thanks to Year 9 students; Amelia Bourke-Crowley, Asha Woodcock, Alicia Baylis and Regan Michalaney for helping out on the night.

Stars

On the 28th November 2021 the Stars Foundation Program held its first End of Year Award celebration where staff, students and families came together as one community to applaud the incredible achievements of our girls. Individual students were awarded for the following awards.

The High Attender Award. This is an award which is presented to a Stars member who has shown commitment to maintaining a high level of attendance while participating in the school curriculum and Stars Program throughout the year.

Year 7 Lahkeeta Roe

Year 8 Kaylah Ah-Kim

Year 9 Mia Freeman

Year 10 Lorraine Cameron

The Academic Award. This award is presented to a Stars member who has shown commitment to their academic studies and has worked toward better academic results.

Year 7 Talia Grazziadelli

Year 8 Jasmin Keir

Year 9 Georgie Zafer

Year 10 Ellah Price

The Rising Star Award. This award goes to a Stars member who has shown increasing commitment to participating in school and Stars activities.

Year 7 Shayden Dimer

Year 8 Marissah Munroe

Year 9 Makayla Franks

Year 10 Lujoe Brown-Issac

The most prestigious award is the Star of the Year Award and this award is awarded to an individual who demonstrates:

Respect: for all Stars and School Staff and peers

Respect: for Stars and School premises and equipment

Honesty: in all Stars and class activities

Commitment: to school attendance and participation

Commitment: to appropriate behaviour

Commitment: to always display the Stars Values

Pride: in working towards attaining high attendance and achieving the best academic achievements for their ability.

This was awarded to Zaleah Sambo.

Psychology

Do you remember learning you're A-B-C's? Year 10 Psychology students walked down memory lane as they created alphabet activity books to promote language development in young children. After many hours of hard work, each group of students had produced an engaging and unique alphabet book which they read to groups of kindergarten students at South Kalgoorlie Primary School.

Students books varied across a whole range of themes, including 'animals,' 'cartoon characters' and 'flowers.' While some students had 'G' for Goofy others had 'G' for goat. Students were creative with the creation of activities, ranging from colouring, doing physical activities, answering personal questions and tracing the letters. It seems we are never too old to enjoy a bit of the alphabet song sing-along.

Blue Tree Project

KBCHS was fortunate to win a mural from the Blue Tree Project this Term.

Liv Robinson, renowned Australian artist, visited KBCHS and created this magnificent Blue Tree mural.

The Blue Tree Projects mission is to help spark difficult conversations and encourage people to speak up when battling mental health concerns. By spreading the paint and spreading the message that “it’s OK to not be OK”, we can help break down the stigma that’s still largely attached to mental health.

Technologies

Thanks to all Technologies students in 2021. I hope you have taken some fine memories from this year with you into the coming holiday season.

Congratulations to the Year 10 Cohort on completing four years of your lives at KB – that is one incredible achievement, you will be missed. Enjoy all of your future lives, wherever your pathway takes you. Keep in touch with KB, staff do like to know your adventures in the adult world that awaits you.

Thanks to all the staff at KB for your role in Technologies this year, your contributions do not go unnoticed.

Many thanks to Margaret Gray, Inga Westberg, Tegan Moore, Susan Noble, Gabby Rosengren for your help with the catering for the Year 10 Formal. Also to these students Asha Woodcock and Amelia Bourke-Crowley – your invaluable assistance helped make the night fabulous and the kept kitchen alive and busy.

Have a peaceful and enjoyable Summer holiday break.

May the new year bring you every success that you plan for.

“One child, one teacher, one book & one pen can change the world” by Malala Yousafzai, Nobel Peace Prize 2014 – we hope in Technologies that we inspire you to become the best you can be.

Keep reading, designing, producing and learning from the tools you receive.

Year 8 Food Technology

Year 9 Food Technology

Miss Martin and her Year 9 class have done some amazing projects this year – one of which was to create a food that can be given as a gift.

These are wonderfully created marzipan fruits –they look fantastic!

Home Economics promotes living creatively and safely.

We are so lucky to have such amazing talent at KBCHS.
